Any Lot or Acreage which Developer may hereafter designate for common use, as part of the Community Properties or otherwise, shall be exempt from the assessments and charges created herein. In addition, all Property dedicated to and accepted by a local public authority, all Property owned or used by a utility company or public body and all property owned by a charitable or non-profit organization, shall likewise be exempt therefrom. Developer will fund any out-of-pocket operating deficit of the Association (not including replacement reserves) until such time as voting control of the Association passes to Class A voters.

Section Four. Annual Assessments.

1. Until December 31, 1978, the Annual Assessment shall be One Hundred Sixty-Five Dollars (\$165.00) per Class A Lot designated for use on the Master Plan as a Lot on which a single family detached home may be constructed. The Annual Assessment for other Class A Lots and Class A Acreage shall be determined in the manner set forth in Section Six of this Article.

2. From and after January 1, 1979, the Annual Assessment shall automatically be adjusted without the necessity of vote of the Board or membership, proportionate to the rise or decline, if any, in the Consumer Price Index for all Urban Consumers, All Items, published by the U. S. Department of Labor, Bureau of Labor Statistics for the Tampa, Florida area. The reference base shall be 1967 = 100 and the initial base from which adjustment of future assessments shall be computed shall be the index figure published by the Department of Labor for the month of January 1, 1978, and thereafter adjustment shall be computed on the basis of the latest index figure for the month of November of the year preceding the year for which the assessment is to be made. If the publication of the Consumer Price Index is discontinued, the Association shall use comparable statistics on the cost of living in Tampa as

OFF REC 3514 PG 1958

computed and published by an agency of the United States or by a financial

periodical of recognized authority then to be selected by the Association's Board.

3. Commencing with the assessment for the year 1979, the Annual Assessment for the prior year as adjusted by the provisions of paragraph 2 above, may be further adjusted by the Association's Board to an amount which will be sufficient, in the judgment of the Board to provide the funds required by the Association in carrying out its stated purposes and functions for the ensuing calendar year; provided, however, in no event shall the Annual Assessment as adjusted by the Board exceed one hundred and twenty-five percent (125%) of the amount of the Annual Assessment for the immediately preceding calendar year as adjusted in accordance with the provisions of paragraph 2, without the assenting vote of two-thirds (2/3rds) of the total votes of each class of membership.

Section Five. Special Assessments. In addition to the Annual Assessment authorized above, the Association, through its Board of Directors, may levy in any assessment year, a Special Assessment or Assessments, provided that any such Assessment shall be approved by no less than 2/3rds of the total votes of each class of membership.

Section Six. Assessment Rate. Subject to the maximums set forth above, Annual Assessments shall be determined by the Board prior to January 1st of each year for all assessable Property, by first determining the sum to be assessed to each single family detached home Class A Lot and making adjustments for other types of Property as follows:

1. Single Family - Detached. Each Class A Lot designated on the Master Plan as a Lot on which a single family detached home is or may be constructed, shall be assessed 100% of the sum assessed to each single family detached home Class A Lot.

Each acre of Class A Acreage designated on the Master plan for single family detached home use shall be assessed at 150% of the sum assessed for a single family detached home Class A Lot.

2. Patio and Cluster Homes. Each Class A Lot designated on the Master Plan as a Lot on which a patio or cluster home is or may be constructed shall be assessed at the rate of 75% of the sum assessed for a single family detached home Class A Lot.

Each acre of Class A Acreage designated on the Master plan for patio or cluster homes shall be assessed at 250% of the sum assessed for a single family detached home Class A Lot.

3. Multi-Family. Each Class A acre designated on the Master Plan for multi-family apartment building(s) use (whether rental or condominium) shall, until the completion of two or more dwelling units thereon, be assessed at 400% of the sum assessed for a single family detached home Class A Lot. A dwelling unit within a multi-family apartment building must be occupied or available for immediate occupancy or temporarily unavailable for immediate occupancy on account of repairs, maintenance work or restoration. Upon the completion of two or more dwelling units within any multi-family apartment building(s) on multi-family acreage, each unit therein shall be assessed at the rate of 50% of the sum assessed to a Class A single family detached home Class A Lot, if a rental, and 75% of such sum if a condominium.

4. Commercial. Each Class A acre designated on the Master Plan for non-residential use (except for non-residential property exempt from assessment as elsewhere provided for herein) shall be assessed at the rate of 400% of the sum assessed to a single family detached home Class A lot.

Section Seven. Notice and Quorum For Any Action Authorized Under Sections Five and Six. Written notice of the date, time, place and purpose of any meeting of the Members of the Association called for the purpose of taking any action authorized under this Article shall be sent to all Members not less than ten (10) days nor more than sixty (60) days in advance of the meeting.

At the first such meeting called, the presence in person or by proxy of Members entitled to cast sixty percent (60%) of all the votes of each class shall constitute a quorum. If the required quorum is not present, another

meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than six (6) months following the preceding meeting.

Notice requirements for meetings of the Board of Directors shall be as follows: written notice of the date, time and place of any meeting shall be given by mail not less than seven (7) days prior to any meeting, provided however, any Director may waive notice as provided in the By-Laws.

Section Eight. Date of Commencement of Annual Assessment; Due Dates; Certificate of Payment. The Annual Assessment provided for herein has commenced as to all assessable real property in the Community as of March 1, 1978. The first Annual Assessment shall be prorated to provide for a ten (10) month budget. Prior to January 1 of each year, the Board of Directors shall determine the amount of money which will be needed by the Association in carrying out its stated purposes and functions for the ensuing calendar year, and shall assess said sum against assessable property in accordance with the provisions hereof. In the event the Board elects not to reassess, the Annual Assessment for the prior year shall continue for the ensuing year. Written notice of all Annual or Special Assessments shall be sent to every Owner.

Annual Assessments shall be payable at the office of the Association, in full annually in advance on or before January 20th of the year for which the assessment is levied.

Special Assessments shall be payable in the manner and at the time or times specified in the assessment notice.

The Association shall, upon demand and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot or Acreage have been paid to date.

Section Nine. Effect of Non-Payment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at ten percent (10%) per annum.

OFF REC 3514 PG 1961

The Association, its agent or representative, may bring an action at law against the Owner personally obligated to pay the same, and in any event shall file in the public records a Notice of Lien for Delinquent Assessments and may foreclose the lien against the real property to which the assessment relates. Such liens shall run with the land and bind subsequent owners with or without actual notice, except for mortgagees as provided in Section Ten of this Article. Interest, costs and reasonable attorneys' fees for such action or foreclosure shall be secured by such lien and may be recovered in such litigation by the Association. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Community Properties or abandonment of his Lot or Acreage.

Section Ten. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any conveyance of title or any other proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer but not the personal liability of the prior Owner. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

ARTICLE V

Property Rights in the Community Properties

Section One. Members' Easements of Enjoyment. Subject to the provisions of Section Three below, every Member of the Association shall have a non-exclusive right and easement of enjoyment in and to the Community Properties, including the right to drain surface waters onto same, and such easement shall be appurtenant to and shall pass with the title to every Lot or Acreage parcel situated within the Community.

Section Two. Title to Community Properties. The Developer may retain the legal title to the Community Properties until such time as it has completed such improvements thereon as Developer in its sole discretion shall

REC: 3428 PG 1995

OFF: 3514 PG 1962

determine, and until such time as, in the opinion of the Developer, the Association is able to maintain the same, at which time title thereto shall be conveyed to the Association.

Section Three. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

1. The right of the Association to limit the use of Community Properties to Members, their families, guests and lessees.

2. The right of the Association to suspend the voting and easement of enjoyment of an Owner for any period during which any assessment against his Lot or Acreage remains unpaid, or for any infraction of the Association's published rules and regulations.

3. The right of the Association to dedicate or transfer all or any part of the Community Properties to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedications or transfer shall be effective unless the Members entitled to at least two-thirds (2/3rds) of the total votes appurtenant to all Class A property and all Class B property, respectively, agree to such dedication or transfer, provided that this paragraph shall not preclude the Board of Directors of the Association or Developer from granting easements for the installation and maintenance of electrical, telephone, cablevision, water and sewerage, utilities and drainage facilities upon, over, under and across the Community Properties without the assent of the membership, and Developer hereby specifically reserves the right to grant such easements.

4. The Developer shall have the right to impose covenants and restrictions upon, and grant and reserve easements with respect to, as well as amendments and modifications thereof with regard to, any and all Community Properties, in addition to those set forth in this Declaration, at or prior to the time of conveyance of such Community Properties to the Association, so long as all such covenants, restrictions, and easements or any combination, are not inconsistent with the Master Plan. The Association shall take title to all Community Properties subject to all such covenants, restrictions and easements, whereupon all of the same shall be incorporated by reference, and made

a part of this Declaration. Prior to such conveyance, neither the Association nor any Member other than the Developer, will have any right, title or interest, legal or equitable, in and to any Community Properties. Without limitation, neither the Association, nor any Member will be entitled to use any such Community Properties or in any manner interfere with any use, whether temporary, recurring, or permanent, made or authorized by the Developer or by any person or entity to whom Developer may grant an easement with respect thereto.

Section Four. Extension of Rights and Benefits. Every Member of the Association shall have the right to extend the rights and easements of enjoyment vested in him under this Article to the members of his family residing with him, his guests, invitees and lessees.

ARTICLE VI

Amendments

Section One. This Declaration may be amended from time to time by the affirmative vote of Members entitled to cast 2/3rds of the total vote of the entire membership of the Association. Amendments may be proposed either by the Board of Directors or by Members of the Association entitled to vote 5% of the total vote of the Association. Notice of any proposed amendment shall be included in the notice of the Members meeting at which the proposed amendment is to be considered. No change to this Declaration shall be effective, however, without the written joinder therein or consent thereto (not to be unreasonably withheld) by Levitt Land Incorporated or its corporate successor, so long as Levitt Land Incorporated owns lands affected hereby.

Further, no change to this Declaration shall be effective, however, without the written joinder therein or consent thereto (not to be unreasonably withheld) by Levitt Land Incorporated or its corporate successor, so long as Levitt Land Incorporated owns lands affected hereby.

Further, no change to this Declaration shall be effective, however, without the written joinder therein or consent thereto (not to be unreasonably withheld) by U.S. Home Corporation or its corporate successor, so long as U.S. Home Corporation owns lands affected hereby.

The covenants, agreements and rights set forth herein shall be binding upon and inure to the benefit of the respective heirs, executors, successors and assigns of the Developer and all persons claiming by, through or under
